ANZAC DAY SERVICES

Our school captains and vice captains represented our school proudly at the Euroa Secondary College and the Euroa Town service for Anzac Day. The students showed great respect when speaking at the Secondary College, marching down the main street and laying wreaths at the services.

EFFORT UNITY RESPECT ORDER ACHIEVEMENT

ROSS'S REPORT

I would like to congratulate our grade 4-6 students and our school leaders for the way they showed our school value of respect at the Anzac Day Services held over the last week. I received many positive comments about the way our students walked in the march and how well they presented themselves, which reflects really well on our school and the students' families.

The Eat 'n' Auction is fast approaching. It should be a great night, with some fantastic items up for grabs. If you haven't got a table yet, tickets are available at the office. We would like everybody to pre-purchase their tickets if possible so that we don't have to collect money at the door on the night. On the night, any items that are purchased need to be paid for by cash or cheque on the night of the auction. Thanks for your support on our major fundraiser for the year.

SENIOR SCHOOL

Kim, Heather, Jenny, Maddi, Deanne, Deb

Term 2 is certainly off to a running start. We have had a busy couple of weeks with lots of action and exciting things to come.

5/6 -Cake & Produce stall:

Many thanks to all the families and students who contributed to the cake and produce stall today. We had an amazing array of goodies which seemed very popular with the shoppers in Binney Street.

All students from grades 5 & 6 have received a small booklet of raffle tickets to sell. The raffle will be drawn on May 12th. So keep selling those raffle tickets and feel free to ask for another book if you want one. Funds raised from the street stall and raffle will both help reduce the cost of the Canberra camp for families who contribute.

School Assembly – Grades 6D and 5/6T are presenting in tomorrow's assembly at 2:30pm in the Schoolhouse.

Nightly reading:

It is an expectation at Euroa Primary school that students read daily. Please assist your child to develop their organization with their homework by setting times for this to be done, helping them, encouraging them. Working together to create success!

VISUAL ART

Pauline Fraser

Students are becoming very confident expressing their ideas with the different media in the Art room. Everyone is looking forward to the school art exhibition at the end of May in the School House. Some grades have looked at the space where their work will be hung and have realised that art work will need to be large and colourful. We plan to have a mushroom forest and a mushroom café. It is all going to be very exciting and a lot of fun.
