MOTHERS' DAY STALL

Our students had a great time picking out Mothers' Day presents at our stall last Friday. I am sure there were some very pleased Mums on Sunday morning when they received their gifts. There was a great range of gifts which made choosing a present a challenge for some students! Thank you to all of the parents who helped with the stall. We appreciate the support of Belinda, Jacinta, Kylie and Monique.

EFFORT UNITY RESPECT ORDER ACHIEVEMENT

ROSS'S REPORT

Congratulations to all the grade 3 and 5 students who have completed the NAPLAN tests this week. The students have approached the assessment with confidence and enthusiasm and should be proud of the fact that they have tried their best. The results provide a snapshot to parents and the school of what your child was capable of on that day and the results will be available in term 3.

Everyone is looking forward to the Eat 'n' Auction tomorrow night. Many of our families and staff have contributed to make it a great night for our school. A reminder that all items bought need to be paid for on the night, by either cash or cheque.

Next week is Education Week. The school is doing a number of things throughout the week including our Family Maths Night on Thursday evening. This will be a great community event and we hope to see everybody there.

DATES TO REMEMBER

MAY

Friday 13th – Grades 1/2A & 1/2B Assembly 2:30pm in Schoolhouse

Friday 13th – Eat 'n Auction

Thursday 19th - Family Pie Night

Thursday 19th May – Grades 3/ 4 Cake Stall

Wednesday 25th – District Cross Country, Murchison

Tuesday 31st – Division Cross Country, Yea

JUNE

Friday 10th – Junior School Street Stall

Thursday 23rd – Whole School Movie Night

Friday 24th – Last day of Term 2

JULY

Monday 11th – 1st day of Term 3

Thursday 28th – Australian Maths Competition

ASSEMBLY- tomorrow will be hosted by grades 1/2A and 1/2B in the Schoolhouse at 2:30pm.

BREAKFAST CLUB

Thank you to the parents who have made donations to Breakfast Club. It warms my heart to have good parent participation. As the weather gets colder, a warm room, a warm Milo and toast is a good way for kids to start the day. All are welcome even if they have eaten - as we know children can always eat! Breaky Club is also a good place to socialise and get ready for the day.

We would welcome more donations of bread, jam, honey, Milo, Vegemite and are always after NUTELEX margarine as it's safe for everyone to eat.

Parents are welcome to come in and share a piece of toast with their children.

Josh Mosely

JUNIOR SCHOOL

Angela, Megan and Amy

Eat 'n Auction – Thank you to the generosity of all families who have contributed to making our class hampers look so amazing. There will be some hot bidding happening on them tomorrow night!

Education Week – Next week is Education Week, it is a week set aside each year to celebrate and recognise the importance of education. Events which will be happening during this week are:

- The Foundation students will be making visits to the Euroa Kindergarten and also Goodstart Early Learning Centre throughout the week.
- Little Bad Wolf Performance- On Wednesday 18th May all students will be seeing a show which relates to our school values and You Can Do It programs. There will be a charge for this performance. A separate notice will be sent out with further information and the cost.
- Invitation to Read to Someone – The grade F, 1, 2 and 3s students invite you to come and read with them on Thursday 19th May from 9.00am – 9.30am.
- Our whole school Family Fun Night is on Thursday 19th May. This night will begin with dinner of pre-ordered pies at 6.00pm in the Junior Gallery. (Pies need to be ordered by Monday 16th May and paid for on the night with a gold coin donation. Soft drinks and water will be available to purchase on the night.) At 6.30pm the school choir will perform and families can then move around the school to participate in Mathematical activities throughout the classrooms until 7.30pm.
- At assembly on Friday 20th May, each class in the school will have student representatives who will share a snippet of an activity which happened during Education Week.

Assembly – The 1/2s will be conducting assembly this week and will share the learning they have been participating in relating to their theme People's Needs.

Recycled junk – Next week all grades in the junior building will be building and making using junk items. Can you please collect and send in any empty food boxes, milk, yoghurt, and biscuit or fruit plastic containers?

Labelling clothing – With the colder weather please make sure your child's jumper is labelled. If they take off their jumper it can easily be returned.

MATHEMATICS LAST CHANCE PIE ORDER

If you are attending the Family Maths Pie Night on Thursday 19th May and wish to eat a pie for dinner this is your last chance to order pies. Please fill in the attached pie order and return it to school by Monday morning, on the 16th of May. No late pie orders will be accepted. Water and soft drinks will be for sale. **(If you have already returned an order form please do not send back another).**

The following outlines the events of the night:-

6:00 p.m Prompt start in the Junior School Gallery.

6:10 p.m Pies will be served and time for a brief social discussion.

6:30 p.m School Choir performance.

6:45 p.m Parents and students can visit any classroom where there will be a variety of maths activities to participate in.

7:30 p.m Activities cease

Angela White

Mathematics co-ordinator

We're singing in the *RAIN!*

While the welcomed rain has been long coming, it certainly has presented challenges for our students with many wet areas to avoid in the playground and being stuck inside at recess and lunch times. However, they have shown great resilience - well done everyone.

Homework: Students from years 3-6 will be given Homework contract sheets on Monday. Keep an eye out in bags.

All students have spelling homework.

All students have nightly reading to do!

If parents haven't seen any spelling then please ask your child or contact the classroom teacher. Please encourage and support your child to read nightly. It only takes a small amount of time. Set clear expectations with them by setting a time aside each night.

Grades 3R, 4CJ and 4K - Cake and Produce stall

Next Thursday 19th May - Binney Street (out front of Burtons).

Notes and plates have been sent out today in school bags. This is a way for you to reduce the amount you will pay for your child's camp fees.

Naplan - Well done to all students in years 3 & 5 who completed three days of Naplan testing. We are very proud of the effort and stamina you demonstrated this week - **well done!**

Notes have been sent home this week explaining the exciting show visiting our school next Wednesday the 18th May. Cost is \$6 per student. Please send along the money before Tuesday 17th May.

Eat'n Auction - Hooray Hooray Hooray! It's here - it's time!

What can we say - **Thank you! Thank you!**

If you have contributed to hampers, picking things up, running around behind the scenes, set up, pack up or any other of the many many many jobs there have been then we send out a HUGE thank you. Without your support, big fundraisers like these are absolutely impossible without the help of many. Bring it on now and let the fundraising begin!

VISUAL ART

Pauline Fraser

As part of our theme in the art room, *the Artistic Observations of Fungi and the Amazing World Beneath Our Feet*, visiting Fungi expert and natural history photographer Alison Pouliot introduced grades 5/6 students to the curiosities of the Fungi Kingdom. In a 2 hour workshop which included a slide show and a hands-on scientific investigative and scientific illustrating experience, a variety of fungi specimens were examined. Alison, a well-known mycologist, who conducts workshops in both Victoria and Switzerland, also treated participants to a full day in the Strathbogie hall, *the Fungi- An introduction to a Curious Kingdom*. Participants were treated to an exciting day of talks, discussion, slide show and the most superb display of fungi specimens arranged as one might see in a museum.

Don't forget our school's **ART EXHIBITION in the SCHOOLHOUSE** opening **May 27th**. It runs over the weekend **Saturday** 11.00am to 4.00pm and **Sunday** (same times). There will be art displays, student demonstrations and the **Mushroom Café** will be open for refreshments.
