Our Senior Students enjoyed 4 weeks of Athletics practice and skill development with students from Euroa Secondary College who are completing a VET Sport and Recreation course. The Euroa Primary School students enjoyed these sessions and showed improvement leading up to our Athletics Carnival next month. Thanks to Kim Saxon and the students from ESC for their planning and enthusiasm.

ROSS'S REPORT

Thanks to all of our volunteers for their work at the Cattle Sale yesterday. It is great that we have so much support and assistance to help raise money for our school. Thank you to everyone who worked at the Sales yesterday as well as the people who cleaned up before and after, donated items and made cakes and slices to sell.

I have been able to spend a bit of time with Michelle Bootes over the past 2 weeks as she prepares to take over as principal for the rest of 2016. Michelle will do a great job and will continue to do the great work at Euroa Primary School. I am looking forward to some time to myself and some travelling around Australia for the rest of this year and then ready to connect back with everyone at the start of 2017.

ASSEMBLY – tomorrow will be hosted by grade 3R in the Schoolhouse at 2:30pm.

BREAKFAST CLUB

Breakfast Club is proving to be very popular this year with an average attendance of 35 children each day – numbers increase when we have “pancake” days at the beginning and end of term. As well as providing warm drinks, porridge and toast for our students, Breakfast Club is also very social providing an opportunity for children to interact with not only their friends and peers but people from outside the school community.

Thank you to those who help at Breaky Club each week, your assistance is very much appreciated. We are however in need of an extra helper each day – Tuesday, Wednesday, Thursday 8.00am to 9.15am and would love to hear from anyone who may be able to offer any assistance at all – this could be weekly, fortnightly, monthly - we are happy to accommodate any offers. Please contact the Office or Josh Mosely.

We also welcome any donations of such things as spreads – jam, vegemite, cheese spread, margarine, Milo, bread. We give a big thank you to Des Nicel for his donation of honey.

CHLOE PERRY CAKE STALL

Thank you to those people who contributed to the street stall yesterday for the Perry family, \$4000.00 was raised and your support is very much appreciated.

JUNIOR SCHOOL

Angela, Megan and Amy

*A reminder that tomorrow is Jeans for Gene's day. Students are allowed to come to school dressed in denim and bring along a gold coin donation.

*In class students are starting to explore the Olympic Games, if possible please let your child watch some of the ceremonies or events so that they can actively be involved with class discussions.

*Book week is getting closer. Once again there will be a book character parade in the park. Start organising your child's costume.

F/ 1 W – students will need to wear green clothes to create 'The Enormous Crocodile'.

1 / 2 A and 1 / 2 B – students will be dressing as characters from 'Revoltin' Rhymes' and 'Dirty Beasts'.

Soundwaves:- Crazy kites k, k, k.

We wish Mr Davis a safe and relaxing time on his long service leave and welcome Mrs Michelle Bootes as our acting principal for the remainder of the year.

MATHEMATICS

Well done to the following students who participated in the Australian Mathematics Competition last week. Robert Lawrence, Caden Robinson, Erin Hicks, Jordan Kipping, Heidi Smith, Millie Watson, Caio Jones, Angus Mackrell, Indie Mildren- Nicel, Cassie Rawlings, Tyler Kipping, Declan Antonis, William Sheridan, Harry Smith and Ruby Watson.

There were many challenging questions that required students to work tough and try their best. The results should be back at school towards the end of this term.

Thank you to Mr Clinch for implementing the test on the required testing day.

VISUAL ART

Pauline Fraser

The Art room theme will continue with textiles for one more week and then we will change to a new theme.

Students are currently involved with braiding, soft sculpture, sewing felt bags and wallets and small sculptures.

During lunch times students are enjoying the opportunity to complete sewing projects and work on weaving and braiding and Indian coil baskets

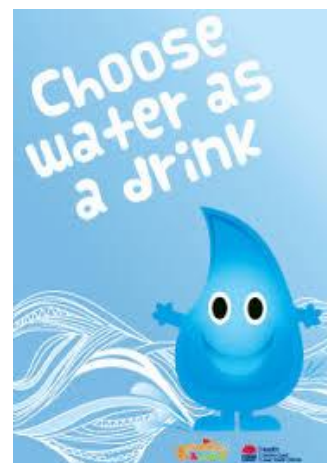

I would like to thank the **Euroa Secondary College VET Sport & Rec students** who have come to our school the last four Wednesdays to provide some Athletics practice for Grade 3 – 6 students. The weather and condition of the oval was not ideal, but the students displayed persistence and resilience. The **EPS Senior Athletic Sports** are scheduled for **Friday 2nd September**. I am hoping to get some fine, mild weather over the next few weeks to give the students more practice.

With the **Rio Olympics Games** commencing this weekend, over the next two weeks all students will be doing some classroom work and **HPE lessons** focusing on the Olympics.

- *Too much sugar is bad for your health.*
- *Water is the best drink. It has no sugar.*
- *Be smart, choose tap water.*
- *Milk is low in sugar. It is important for growing strong bones and teeth.*
- *Flavoured milk is not as good for you because it has added sugar.*
- *Choose 100% fruit juice with no added sugar.*
- *Fruit juice has lots of natural sugars – so don't drink too much.*
- *Soft drinks and sports drinks are very high in added sugar. They increase the risk of tooth decay, weight gain and may be harmful to your body's organs.*

SENIOR SCHOOL

Kim, Heather, Jenny, Maddi, Deanne and Deb

Jeans for Genes Day - Friday 5th August

All students are invited and encouraged to participate in Jeans for Genes Day tomorrow. This is an *SRC initiative* and a **gold coin donation** is greatly appreciated.

Book Book - Week 7

All classes have begun working on their chosen Roald Dahl book.

Our Book Week parade is on Friday 26th August when the whole school will walk down to the Sevens Creek park. Please start talking to your child about what character they are going to dress up as.

Rio Olympics

Our senior classes have begun busily working towards the up and coming Olympics. The senior gallery is turning into a gallery of Australian athletes. Call in and have a look as it evolves. Students are creating their own Olympic books in classes that they will continue to work on throughout the Olympic period.

Head Lice

We have reported cases of head lice. Please check your child's hair regularly and treat as soon as you see eggs or lice and then follow up 5-7 days later.

We're for Childhood
SINCE 1877

ARE YOU INTERESTED IN BECOMING A FOSTER CARER?

Childhood can be a difficult time for children who have experienced trauma, abuse, neglect or grief. They need patience, tolerance, stability and understanding to overcome the barriers to a life most of us take for granted.

Join us in becoming a Foster Carer today. To increase your awareness of foster care and learn about the fostering process, Berry Street is hosting an Information Night on Wednesday 17th August, 6.00pm at the Berry Street Office, 110 Wyndham Street, Shepparton. All Welcome.

For more information please contact Janene or Chrissie at Berry Street telephone: 58228100 or email: humefostercare@berrystreet.org.au

POST SEPARATION CO-OPERATIVE PARENTING PROGRAM

We're for Childhood
SINCE 1877

Berry Street provides a Post Separation Service in Shepparton for separated/divorced parents called the *Post Separation Co-Operative Parenting Program*.

Our program is designed to assist parents to separate their conflict from ongoing parental responsibilities and become more attuned and understanding of the relationship between conflict and children's well-being.

Being a child focused program, we strongly advocate the need and the benefits to children of having both parents actively involved and interested in their life, provided this is a safe option and in the child's best interests.

The one-off, 3 hour education seminar is recognised by the Family Law Court and are delivered twice a month including an evening session.
