5/6 BOLLYWOOD PRODUCTION

The grade 5 and 6 students looked amazing on stage last week as they performed "Bollywood Nights". The students worked with professional artists Parvan and Josh and learnt some great dances. The students were also part of some storytelling and learnt about Indian culture. The crowds were fantastic and thoroughly enjoyed the shows.

EFFORT UNITY RESPECT ORDER ACHIEVEMENT

ROSS'S REPORT

I am looking forward to this weekend's Wool Week Parade in the main street of Euroa. It is great for our students to be a part of the parade and represent our school at this significant community event. I will meet everyone at the corner of Kirkland Avenue and Railway Street at 9:30am Saturday morning ready for the parade. After we walk down Binney Street in our House colours, students need to be picked up by an adult at the Old Courthouse.

We are starting to work out numbers and structures for next year. At this stage I don't know what the grade structure will be or who will be teaching each class. If you know that you aren't going to be here next year, ie, you are moving away from the area, can you please let me know as soon as possible. Also, if you know of any potential enrolments for 2018, please encourage them to see me too. Once we have confirmed numbers, I can send out the grade structure and teachers. Once this is done, I will invite you to make an appointment with requests for student placement in 2018.

The Euroa Show was a huge success again this year. I was so proud of the artistic skills of our students that were on display. The Scarecrows made by our school and the rest of the community looked fantastic and our Art display highlighted the great work of our art teacher, Ms Fraser.

I would like to congratulate the 5/6 students on their performance at Bollywood last week. They did an outstanding job. I would also like to thank Maddi, Deanne, Deb, Joe, Gayle, Jenny and Robbie for the huge amount of time and effort they put into making the show a success. Thank you to all the parents and family members who came to the shows. The students thoroughly enjoy performing in front of a large crowd.

Last Friday was Teacher's Day. The support staff arranged morning tea for our teachers, and they were presented with some gifts, the captains made a speech and there was a video from the students as to why they like their teacher. The teachers at Euroa Primary School are a dedicated and professional team who put in a huge amount of effort to provide the best for each and every student. I thank them for their work.

Four students qualified for the State Athletics Championships in Melbourne on Monday. Harrison, Darby, Mitchell and Danny should be very proud of their achievement in making it to this level. I congratulate them on their brilliant effort and for being such wonderful ambassadors for Euroa Primary School.

Our outdoor areas are looking fantastic at the moment. Our gardens are being looked after by Felicity and the grounds are being kept mown by the Mildren-Nicel family. The roses are looking stunning. The students have been enjoying the giant chess pieces, playing out in the sunshine during recess and lunch. Joe's Chess Club is proving very popular on a Monday. The new seating area has been a real hit with the kids, and has really brightened up the yard. The Buildings and Grounds committee have done a great job working with the Brad and Jodie, as well as Luke Kipping to create a great new space.
