AUSSIE OF THE MONTH

Our first class winners were awarded with their Aussie of the Month certificates at assembly on Monday. Each month the classroom teachers choose a student in their classroom who has been following the School Values of Effort, Unity, Respect, Order and Achievement. Mr D then chooses the overall winner. Well done to all of our winners for the month of February.

ROSS'S REPORT

Congratulations to the students who competed in the Regional Swimming Championships in Shepparton yesterday. There was some outstanding results in what is a very challenging level of competition. Thanks to all the parents who went over to support our students. I enjoyed hearing about the positive feel in the Euroa Primary School camp!

There was a great afternoon in the F/1 rooms this week as the classrooms were opened up on Tuesday afternoon for students and their families. The young students had a fabulous time showing their parents all the wonderful things they are learning at school. Thanks to the Junior teachers for providing such a great experience.

You should have now received an information sheet from your child about our school, explaining some key parts of our programs and activities that will be offered this year. Please take the time to read through the information sent home. Once you have read through, if you have any questions, the upcoming Parent/Teacher Interviews are the perfect opportunity to ask those questions.

I have been really enjoying some of the great work being completed by our students in our specialist subjects. There has been some brilliant Art work completed that students have been proudly bringing to my office. One of the favourite parts of my job is seeing students with excellent work from all subject areas.

It was wonderful to meet and interact with many of our parents/guardians at the Foundation and Grade 1 Open Classroom on Tuesday. The children loved sharing their work, displays and doing some activities.

All families should have received an Information pack across all year levels this week. If you have further questions or would like more information please speak with your child's classroom teacher.

An internet agreement has been sent home in the information pack. All children need to have an internet agreement signed by them and their parent to access the internet at school. Please discuss with your children the importance of this agreement.

The Junior School are very proud of many of our students who have reached 25 reading nights. The expectation is that children will read at home every day.

Our Foundation children will begin coming to school full time as of next Wednesday.

REGIONAL SWIMMING CARNIVAL

The EPS community congratulates our Regional Swimming competitors on their fine achievements and personal best efforts yesterday at the Regional carnival in Shepparton. At this level of competition, where the region's best of the best compete, it was indeed impressive to witness very fine athletes across all four strokes of swimming. It is an absolute credit to our 11 students for reaching this level and we whole heartedly give a huge round of applause to our swimmers. A special mention to Rachael Buerckner whom received a bronze medal in the final of the 12/13 year old girls butterfly final. We salute you Rachael!
