2019 STUDENT REPRESENTATIVE COUNCIL

Congratulations to our 2019 Student Representative Council (SRC) members for 2019. These students were voted in by their class peers to represent their class at SRC meetings, where fundraising, charity work and school improvements are discussed. Thanks to Cr John Mason who spoke to the whole school about leadership and presented the students with their badges.

EFFORT UNITY RESPECT ORDER ACHIEVEMENT

ROSS'S REPORT

Congratulations to our new SRC members on their leadership role for 2019. I am fortunate enough to take on the role as teacher in charge of SRC this year and I am looking forward to working with the students. Thanks to Cr Mason who gave our students lots to think about as he spoke about leadership at the assembly.

Well done to the 21 students who competed with such enthusiasm and effort at our District Swimming Carnival yesterday. The spirit, sportsmanship and persistence demonstrated by our students was a credit to them. Good luck to the 18 students who have qualified to compete at Division level in Seymour next week.

The F/1/2 classes are holding their Open Classrooms this afternoon. It is a great opportunity for parents to find out some more information about what is happening in the junior part of the school, and for the children to show you around their learning space. Unfortunately, I had a last minute change of meeting date so I am unable to be there this afternoon. The Senior School will be sending home a written brochure with 2019 information.

BOOKS & REQUISITES - Books and requisite fees for this year are \$140.00 per student. If payment is received in Term 1 the cost will be \$130.00. Payment may be made by cash, cheque card or direct credit.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF) – Families eligible for this payment should call into the Office and complete an application form. If you applied for the CSEF at our school in 2018 you do not need to reapply for 2019. A new form will need to be completed only if you have a child starting school for the first time, if your child has changed school or if your family circumstances have changed. To be eligible you need to have a valid (on either the 1st day of term 1 or 2) means-tested concession card or be a temporary foster parent. CSEF payment of \$125.00 per year, can be used towards the cost of school trips, camps and sporting activities.

Euroa and District Badminton Association (EDBA)

EDBA are hitting off for the 2019 season with practise/grading nights to be held at the stadium at the Euroa Secondary College on Monday the 4th and 11th of March. Everyone is welcome, practice to start at 7:00pm.

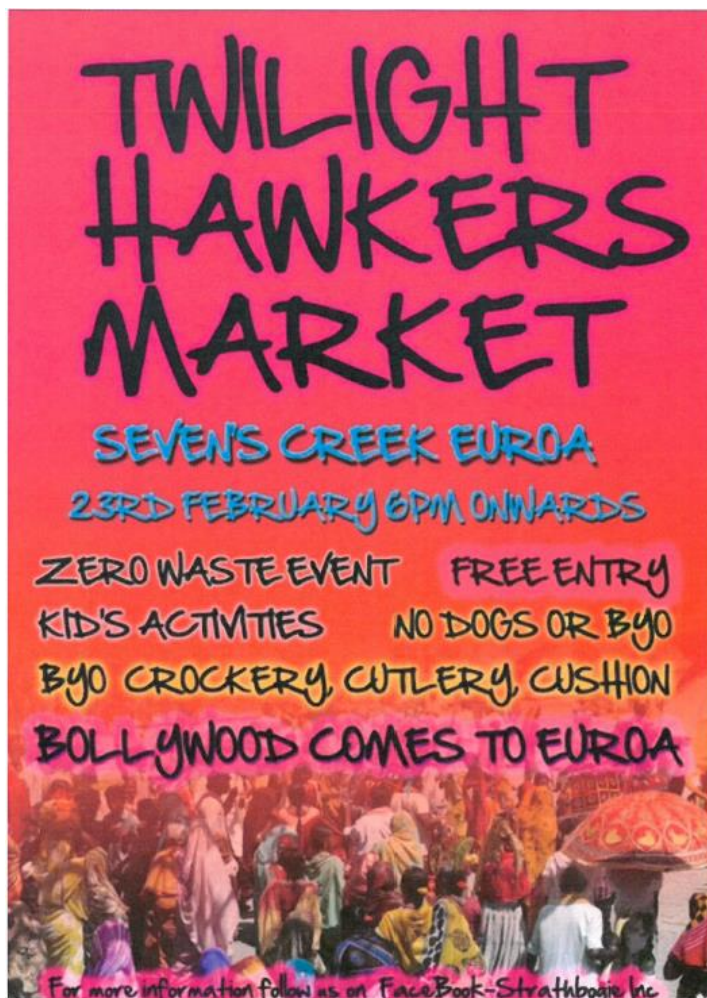

Competition is to begin on the 18th of March and games will commence each Monday at 7pm. Fees: Adults \$100, students/juniors \$80 and if three or more members play from the same family, there is a discount of \$10 per player. There is also an early bird discount of \$10 if fees are paid by the 6th of May and a payment plan can be arranged. There is also a couple of courts free for junior coaching or for those just wanting an odd hit - \$2 / night / player.

The association this year is going to conduct a raffle for fundraising and will again man one of the Rotary barbeques at the Euroa Farmers Market – date to be advised. Already the association has been able to purchase a number of new nets with funds raised from our raffle efforts last year.

And lastly, something new – the association is going to run an encouragement award with the prize being a new racquet to the value of \$100. This is not necessarily for the best and fairest but for a player who commits to playing each week, turns up on time, encourages all those in the competition etc.

We look forward to seeing everyone back and welcoming new members.
